What does it mean to be prepared?

September is National Disaster Preparedness month. Do you know what you would do in the immediate aftermath of a disaster? What if you were on your own for a while before professional first responders could get to your neighborhood? Here are a few suggestions in order to better prepare your family for the "what ifs" resulting from a disaster:

Be Aware – Know where to get information about an emergency and emergency preparedness. Lexington's Division of Emergency Management (DEM) has current information on its website: www.BeReadyLexington.com. DEM also regularly posts to Twitter and Facebook. Those pages are available at: www.twitter.com/lexkyem and www.facebook.com/lexingtonkyem. Information is also available at www.Ready.gov.

Get a Kit - Households should have an emergency supply kit so residents can be self-reliant for at least three days in case of emergency. Information about what items should be in a kit is also available at www.BeReadyLexington.com

Make a Plan – Individuals and families should have a plan for how they will respond and reconnect after an emergency. For information on creating a supply kit and writing a plan, go to www.BeReadyLexington.com and www.Ready.gov.

If you or a neighbor you know is interested in becoming apart of the MSNA Community Emergency Response Team (CERT) which trains and teaches you how to preserve life, property and the environment until the professionals can get to you please contact Shelley Bendall for more information.

Let's Work Together!

Attention Residents: We need your help!

MSNA Board Members have so many wonderful ideas in the making. There have been talks of Clubhouse movie nights, neighborhood socials, more free swim nights and much more! The Board consists of only 7 members who need volunteers to help plan and host such activities. With 2200+ homes in the neighborhood, the board needs your help in getting everyone involved. If you have any ideas for the neighborhood or have any free time to help with current plans, please contact us. We are always looking for fun ways to bring the residents together!

On a serious note, MSNA has had a wonderful Neighborhood Watch program in effect for quite some time now. If you are interested in helping out with the program please contact **Janice Wilson** for further information on what you can do to help keep our neighborhood safe.

Please feel free to contact any of the Board Members or Property Manager with your contact information so we can begin working together!

And the Results Are In!

Beginning on August 10th Lexington Police set up a Speed Trailer to track the speed of vehicles passing on Masterson Station Dr heading towards Leestown Rd. The data was collected from 8/10 through 8/16. The total number of traveling vehicles recorded was 22,352. By law, residential speed limits are 25mph. Below you will find the results from the tracking's:

Party, Party, Party!!

Are you thinking about hosting a party? It's that time of year again to start thinking about holiday dinners, Christmas gatherings, family functions & birthdays. The Masterson Station Clubhouse is the perfect venue for hosting your next celebration.

Please visit www.mastersonstation.org for complete information for renting the clubhouse.

Proper Storage for Trash Containers

REVISED

In 2010 LFUCG passed an amendment to the City Ordinance pertaining to the proper storage of Herbies. Herbies now shall be placed at the curb between 4PM on the evening before collection and shall be removed by 7PM on the day of collection. Containers will be kept either in the rear yard or in the side yard when not located on the curb. **DO NOT STORE your Herbies in the FRONT OF YOUR GARAGE.** Civil fines will be assessed for the continuous roll cart violations. MSNA will be noting violations of such improper storage of Herbies and violations will be reported to LexCall.

Setting your roll-cart or bulky items on the curb at the wrong time or improperly preparing bulky items are violations of Lexington's solid waste ordinances. Property owners who receive a violation from the Division of Waste Management must now correct the violation within 48 hours. Failure to correct a roll-cart violation within 48 hours can result in the issuance of civil penalties of up to \$100 and improper set-out of bulky items can result in civil penalties of up to \$600.

<http://www.lexingtonky.gov/index.aspx?page=2470>

****This policy is one that will be strongly enforced under the DOR's for Masterson Station. The storage habits for Herbies and Rosies will be monitored on a weekly basis upon neighborhood inspections.**

ELECTIONS

All seven Board positions will be up for election in September 2012. A Board member's term is 2 years. If you are interested in volunteering to serve on the Board please contact our Property Manager or a current Board Member with your submission.

2012 Pool Memberships

Even though the 2011 pool season just ended it's not too early to start thinking and planning for next summer! Don't forget about the discounted Pool Memberships! Please submit your application along with check or money order to the clubhouse early in 2012 to take advantage of the best discounts. MSNA will also be offering payment plans. We will be accepting payments towards 2012 pool memberships. The minimum first payment is

\$50.00 and must include the pool membership application. The discount rates will still apply as long as the membership is paid in full by the end of the discount period. Pool memberships make wonderful presents for all those that live in your household!

DON'T GET CAUGHT WITH YOUR LIMBS DOWN!

MSNA has received several complaints this year and in past years about how low limbs are over sidewalks and streets. It is the responsibility of each homeowner to keep street trees trimmed on their property. MSNA has combined forces with Town Branch Tree Experts, Inc. to put together wonderful discounted rates for trimming, replacement and other tree needs. These discounted rates are only offered to MSNA residents. MSNA has already received a great amount of positive feedback from this plan. Please keep in mind, you do not have to choose to have your trees maintained by Town Branch Tree Experts. You as the homeowner are rightfully welcome to maintain the trees yourself or to contract privately with any other company. Please keep trees in compliance with the LFUCG Street Tree Ordinance, to provide clearance space to a height of 12ft over streets and 7 feet over sidewalks.

NO SIGNS PLEASE

In the past months more postings have been reported on lights posts, trees, in yards and on stop signs poles in the neighborhood. These particular postings are in violation with the Fayette County Sign Ordinance. No such postings are permitted in any form. Examples of such postings are: Yard Sale notifications and/or directions, advertisements, or lost animal notices. If anyone wishes to notify residents of For Sale items or make residents aware of lost animals, we encourage you to take advantage of the neighborhood yahoo email group. Masterson Station has a wonderful system of email notifications that many members are already apart of. To become a member of the email group please send an email request to webmaster@mastersonstation.org or feel free to contact our Property Manager and provide your name and email address. It's as easy as that. MSNA appreciates all efforts from residents in keeping the neighborhood looking neat and tidy.

Political Yard Signs

As the primary election approaches, many of you may want to post political yard signs to show support for your favorite candidate. These signs may be posted in accordance with LFUCG Zoning Ordinance, Article 17-6(b) which reads: "The following signs shall be permitted within all zones, subject to the restrictions specified: Political signs, not exceeding four square feet in area, limited to one sign per street frontage; and erected no earlier than thirty days prior to the election they pertain to; and re-moved within five days after such election." Any political signs found in the common areas will be removed.

ASSOCIATION DUES

If you have resided in the neighborhood since January 1, 2011, and still have not paid your HOA dues, please be advised **FINES ARE BEING APPLIED MONTHLY!** For each month that dues continue to go unpaid, a \$5 non-payment fine per over due assessment will be added to your account. Our Accounts Receivable Policy can be found on the Masterson Station Neighborhood website. There are some owners who owe not only current dues, but also past year's dues. If your dues are not paid in a timely manner, we will be contacting our attorney to file a lien on your property in order to collect, which will also increase your amount owed by at least \$250 this year. Thanks to our attorney, MSNA has collected \$1000 from the top 5 overdue accounts excluding the fees the homeowner has paid in attorney costs. Please contact our Property Manager to get your current balance and make checks or money orders payable to:.
